General information

PACCAR Winch is pleased to announce the following 2019 dates for our *BRADEN Gearmatic Sales and Service Training Schools*. Sessions last four days and are conducted Tuesday-Friday on the following dates:

- **Session 1 March 26-29**
- **Session 2 April 23-26**
- **Session 3 September 17-20**
- **Session 4 October 22-25**

Description

Training Schools provide PACCAR Winch Authorized Service Centers, Dealers, Distributors, OEMs, and their end users with the knowledge needed to sell and perform service work on PACCAR Winch hoists, winches, and drives.

This comprehensive program provides an overview of the product line, discuss features and benefits, theory of operation, competitive advantages, troubleshooting, and service. The school is equally divided between hands-on training and classroom sessions.

Each participant is also trained where to locate current sales and service information for winches, hoists, and drives.

Current subjects include BRADEN/Gearmatic Hoist Sales and Service Training, and Recovery Sales and Service Training.

Classes occur at the PACCAR Winch Plant in Broken Arrow, Oklahoma, USA, or at a customer location.

Coming to class

Enrollment information:

- To enroll online, go to the PACCAR Winch Service School sign-up page at pwd.paccarwinch.com/ServiceSchool.html, or fill out the form on the back of this brochure and it email to PACCAR Winch Training Manager Clint Ross at clint.ross@paccar.com.
- Registration forms must include the names and employers of the participants and must be accompanied by a purchase order number for the full fee of \$1,000 USD per person.

Equipment to bring to class:

- Clothes and shoes suitable for a workshop environment. Steel toed boots are highly recommended.
- Simple pocket calculator for performance/troubleshooting class.

Arrival in the Tulsa/Broken Arrow, OK area and PACCAR Winch

- Arrive no later than the night before class begins
- In-bound flights should be for scheduled arrival into Tulsa International Airport, Tulsa, OK, USA (Airport code - TUL).
- Please arrive at the PACCAR Winch front reception area on the first morning of class between 8:00 and 8:15 AM. Classes will begin at 8:30 AM. Plant is located at 800 East Dallas, Broken Arrow, OK 74012.

Class Daily Schedule:

- Classes will last daily until 5:00 PM, except for the last day of the session. Typically, the last day will be completed by no later than 3:00 PM to allow our visitors to make evening return flights from Tulsa International Airport. Be sure to plan enough time for rental car return and check-in.
- Lunch will be provided daily.

Policy

Training is provided at \$1,000 US Dollars per student for the recommended comprehensive four-day schools. Schools shorter than four days will be charged a flat rate of \$1,000 per day. The minimum class size is six students for all classes. Schools requiring technician certification are limited to 15 students.

For training occurring at the PACCAR Winch Plant, a purchase order for \$1,000 per student must be provided to reserve a space in the class.

If the class is to occur at a customer location, the customer will also be responsible for the trainer's flights, hotels, and transportation. Alternatively, the customer can provide flights, hotels, and transportation through their company travel system.

International training is available, and payment policy will be addressed on a case by case basis.

Students attending the comprehensive four day school will receive a Certificate of Completion of the course upon scoring 70% or higher on the final exam. Students attending classes shorter than four days will receive a participation certificate only. The certificates are sent to the sponsoring Service Center, Dealer, Distributor or OEM *only*. Certificates will NOT be mailed to individual technicians unless a written request to do so is received from the sponsor.

A certificate is valid only through the Authorized Service Center, Dealer, Distributor, or OEM it was issued through. Certificates cannot be transferred if the technician leaves the company. Certificates are valid for five years and must be renewed by taking the full course again.

Any exceptions to this policy must be approved by the PACCAR Winch President.

Schedule for four day schools

- Day 1 is devoted to application, basic hydraulic theory, general troubleshooting, preventive maintenance and performance calculation methods.
- Days 2 - 4 are devoted to hands-on training with heavy emphasis on proper assembly / disassembly techniques using several representative units.
- Schools occurring at the Broken Arrow location also include a hands on trouble shooting exercise using PACCAR Winch test tower and training hoists.

Contact Clint Ross with any questions at 1-918-259-3376, or clint.ross@paccar.com.
